

Greek & Latin Words in the Book of Mormon PDF

I've received numerous requests for a full chart of all our findings on the Greek and Hebrew words found in the Book of Mormon. To make things easier for those who are interested in the findings we're listing a synopsis of them all here.

The reason we did this is because of what Joseph Smith said;

Times & Seasons, vol. 4 (November 1842-November 1843): pg. 194; “...*There was no Greek or Latin upon the plates from which I, through the grace of God, translated the Book of Mormon Let the language of that book speak for itself.*”

Well, we're letting the book speak for itself and here it is showing Joseph Smith lying to the people once again. We found a total of more than 93 Greek and/or Latin words used over 7,200 times throughout the Book of Mormon.

Word & Concordance #	Etymology	References
Abomination/ Abominable 114x Hebrew #8251; Greek #946	Middle English (1350-1400) Late Latin	1 Nephi – 23x 2 Nephi – 8x Jacob – 8x Mosiah – 15x Alma – 16x Helaman – 14x 3 Nephi – 15x 4 Nephi – 1x Mormon – 7x Ether – 4x Moroni – 3x
